

Middle School Makeover

A Competency Based Education Presentation

The shift to competency based education is happening! Come learn about Three River School's journey towards competency based grading and reporting. In this presentation we will examine our reasons for making the shift from a traditional grading system to a competency based system, explore the tools necessary to support CBE, provide helpful tips, and discuss how this change enhances student learning.

When —————> March 27, 2019 3pm - 4:15pm

Where —————> Three Rivers School
243 Academy Road
Pembroke, NH 03275
